

Bluetooth® Headphones ANC Foldable with Microphone Over-ear Forest SOUND ORIGIN

Descriptif produit

Total and uncompromised sound immersion for your daily life

Active Acoustic Isolation

Dive into your music with advanced Active Noise Cancellation (ANC) technology. This system effectively silences external distractions to create a completely immersive listening bubble.

Extended Performance and Battery Life

Enjoy your playlists uninterrupted with a remarkable battery life of up to 35 hours of playtime. Even with ANC turned on, the headphones provide 23 hours of continuous listening to power your entire day.

Everyday Comfort and Durability

Combining style and durability, these headphones feature a sturdy metal headband and fold-flat earcups. The ultra-lightweight 252g unisex design ensures optimal comfort during your daily commute.

Modern and Versatile Connectivity

Featuring Bluetooth 6.0 and multipoint connection, it seamlessly switches between your devices instantly. Dedicated Music and Game EQ modes optimize the audio performance based on your activities.

Intuitive Call Management

Take control of your communications with the hands-free calling feature and integrated voice assistance. Stay connected and manage your voice tasks without having to take out your device.
