

iPhone 18 Pro Max / 17 Pro Max Screen protector CoolTeck 2.5D Organic glass + Lifetime Warranty - GRS Certified Force Glass

Descriptif produit

The Lifetime Warranted Screen Protector that combines high resistance, cooling technology, and eco-design

CoolTeck Range

Custom 2.5D Curved Protection
Cutouts precisely fitted to perfectly follow the curves of the screen and effectively protect your mobile device.

Ultra-Resistant 9H+ Technology
Probably the most resistant screen protector after diamond. Exclusive design that combines the best materials, treatments, and coatings to guarantee the highest level of scratch and impact resistance thanks to a 9H hardness rating for the tempered glass.

Optimal User Comfort
Oleophobic coating resists fingerprints and preserves touch sensitivity for smooth touch navigation.

High Definition
Optimal optical transmission and minimal reflection maintain bright image quality and vibrant colors.

Shatterproof Coating
Safety glass prevents shards from scattering in case of breakage.

Designed for everyday use
Oleophobic coating resists fingerprints and the shatterproof design prevents dangerous shards and allows for easy removal.

Quick and flawless installation in under 30 seconds
Thanks to the exclusive application kit designed for each phone model, applying your screen protector is child's play. Clean, position, apply: follow the 3 simple steps for a precise, dust-free result.

Eco-designed with 100% recycled glass - GRS certified product
This product is eco-designed and made with 100% recycled material to reduce its environmental impact.

The Global Recycled Standard (GRS) label guarantees recycled products that meet environmental and social criteria (recycled content, chain of custody, social and environmental practices, and restrictions on chemical composition, etc.).

Force Case compatible

Lifetime warranty
Receive a new screen protector if it is damaged

Eco-designed, fully recyclable packaging
Cardboard (certified from responsibly managed forests), glue (vegetable-based), and ink (soy-based).

Product recycling
Prepaid return of old products for recycling to promote the circular economy.

Compatible iPhone 18 Pro Max / 17 Pro Max

Thanks to the lifetime warranty, FORCE will replace your right or left earphone with a new earphone in the event of loss.
To benefit from the lifetime warranty, simply create an account and register your product on the website https://force-mobility.fr/fr/utiliser-garantie, within 30 days of your purchase, with your proof.
The FORCE service will send you a new replacement earphone for the lost earphone. Once a year and without time limit so that you can always enjoy your music!

FORCE: The smartphone accessories brand Lifetime warranty
• Sustainable accessories designed to last a long time

• Technological innovation at the service of performance and use
• A lifetime warranty to satisfy the most demanding customers
• A responsible commitment from the design of the product to its packaging: Recycled plastic, certified cardboard from responsible forest management, vegetable glue) and soy ink.
• A recycling center with pre-paid return of old products to be recycled to promote the circular economy

FORCE is a French brand whose products are designed and developed in Paris. French specialist in smartphone solutions for 25 years, our products are tested and certified according to the CE standards and directives in force on the market.
From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
