

iPhone 18 Pro / 17 Pro MagSafe Reinforced Case AIRSHIELD + Ring Stand 360° 5m Light grey + Lifetime Warranty Force Case

Descriptif produit

The combination of exclusive technologies for extreme resistance to military standard - Lifetime warranty

Withstands shocks and drops from 5 meters
An innovative structure with integrated AirShield® air cushions guarantees the case's perfect integrity and provides extreme resistance to everyday damage.

Dual protection system
The combination of Tryax3D® around the edges and multiple interlocking shock-absorbing materials offers unparalleled protection all around your phone, regardless of the point of impact.

Protective raised edges
The edges and camera surround are reinforced with liquid silicone for complete protection. You can therefore place your smartphone face down or back up without worry.

Reinforced magnetic system compatible with Magnet & MagSafe
Thanks to the strength of its reinforced magnetic system, you can attach your case to all magnetic accessories in the Magnet & MagSafe ecosystem: wireless charger, car mount, video stand, etc.

Retractable and 360° rotating MagSafe ring
Enjoy a perfectly integrated magnetic ring that unfolds to serve as a stable video stand. Its 360-degree rotation lets you orient your screen in portrait or landscape mode as needed.

Improved charging efficiency
The optimal magnetic alignment of its reinforced magnets also ensures that your phone charges more efficiently and therefore faster.

Premium finish with integrated IC button
Maintains precise responsiveness and smooth access to your iPhone's controls. Its sleek, transparent design lets you appreciate the original beauty of your smartphone.

Anti-yellowing nano-coating
Made from a polymer alloy treated to prevent yellowing, your case will retain its transparency for much longer.

Eco-designed with 50% recycled plastic
This product is eco-designed and made with 50% recycled material to reduce its environmental impact.

From its delivery, this product benefits from the 2-year legal guarantee of conformity.

How does the Recyclerie work?
You have just purchased one of our products and you wish to return your old product to us for recycling. We ensure the collection of all old products, which are then dismantled and recycled in the appropriate sector by our partner Véolia.

How do I return my product?
Using the QR code or link provided in the pack of the purchased product www.force-mobility.fr/recyclerie, download a free return voucher from our site to return your product to us for recycling.

What happens to my old product?
Once recycled, your product is reintegrated into the production of everyday objects such as: bicycle, radiator, public bench, etc., this is what we call the circular economy!

A reduced carbon footprint for a more responsible purchase!
The carbon footprint is an environmental indicator that designates the total quantity of greenhouse gases generated throughout the product life cycle, from production to use and recycling. This indicator was calculated using the LCA method (life cycle analysis standardized ISO 14040-44) which is the most advanced and scientifically robust method, in terms of eco-design and environmental performance.
