

Bluetooth® Party Speaker PartyBox On-The-Go 2 100W Waterproof Luminous + Wireless microphone Black JBL

Descriptif produit

The ultimate portable party speaker with wireless microphone designed to elevate any event anywhere

Powerful 100 W JBL Pro Sound
Experience room-filling sound with 100 W RMS output featuring dual silk dome tweeters for crisp highs and a 135 mm woofer for deep bass[cite: 4]. This engineered acoustic system delivers rich, dynamic audio perfect for both indoor and outdoor gatherings[cite: 4].

Wireless digital microphone and Karaoke
Unleash your inner performer with the included wireless microphone featuring built-in echo effects for clear vocals[cite: 4]. Use the JBL PartyBox app's Smart Key Change feature to match song pitch to your vocal range seamlessly[cite: 4].

Dynamic light show synced to music
Light up the dance floor with vibrant light patterns and custom strobing effects that automatically sync to the beat of your tracks[cite: 4]. Easily customize lighting themes directly through the smartphone application.

15-Hour playtime with fast charging
Keep the music going all day and night with up to 15 hours of continuous battery life[cite: 4]. A quick 10-minute charge gives you an extra 80 minutes of playback when power runs low[cite: 4].

Designed for mobility and IPX4 splash resistance
Take the party anywhere comfortably using the balanced top handle or the wide, cushioned shoulder strap[cite: 4]. Built with IPX4 splashproof protection, it handles poolside splashes and light outdoor rain effortlessly[cite: 4].

Auracast multi-speaker connectivity and eco-design
Pair multiple compatible speakers wirelessly using Auracast technology to build a broader soundstage[cite: 4]. Built responsibly using post-consumer recycled plastic and packaged in FSC-certified paper printed with soy ink[cite: 4].
