

Night light with speaker 5W Luminous Yello Koko

Descriptif produit

The ideal 2-in-1 night light combining soft illumination, a 5W Bluetooth speaker, and soothing white noises

5W Bluetooth speaker and clear audio

Enjoy clear, high-quality audio playback thanks to the built-in 5W speaker featuring a frequency response from 70 Hz to 18 kHz. Equipped with Bluetooth 5.3 connectivity up to a 10-meter range, it streams nursery rhymes and bedtime stories effortlessly.

Adjustable soft night light

Accompany your child's sleep with a soothing Soft Light designed to create a comforting bedroom atmosphere. Easily adjust brightness levels across three lighting settings: 25%, 50%, and 100%.

20 Built-in soothing white noises

Help your little ones fall asleep faster with a selection of 20 built-in relaxing white noise soundscapes. These ambient sounds block out background distractions and establish a peaceful environment at bedtime.

Playful design with soft touch finish

Add a charming decorative element to any nursery or kids' room. Crafted with a soft, pleasant-touch texture, this night light is safe, cute, and fun for little hands to handle.

TWS pairing for stereo sound

Connect two compatible Speaklight night lights wirelessly using TWS (True Wireless Stereo) functionality. This expands audio performance to deliver an enriched stereo listening experience.

Portable 1200 mAh rechargeable battery

Take sleep comfort anywhere during travel or weekends away thanks to the integrated 1200 mAh rechargeable battery. Its lightweight portable build ensures continuous operation to keep children reassured through the night.

Technical characteristics

5W Bluetooth Speaker: Reliable Bluetooth 5.3 connection up to 10m with rich audio quality (70Hz - 18kHz).
