SmartphoneMount Popgrip Kick-Out Base MagSafe Stand and Selfie Black Popsockets

Descriptif produit

The ultimate clear MagSafe Kick-Out magnetic base with built-in retractable metal kickstand for hands-free viewing and grip

Ultra-strong MagSafe magnetic connection
Enjoy instant magnetic alignment and reliable holding power thanks to the built-in MagSafe system. It snaps securely onto any MagSafe compatible case, keeping your smartphone safe during everyday use without adhesives.

Integrated metal Kick-Out stand
Deploy the sturdy metal kickout mechanism to transform your device into a stable hands-free stand. It props your phone effortlessly in both portrait and landscape modes for watching videos, streaming, or video calls.

Compatible with all PopTops
Customize your look anytime by attaching any standard PopSockets PopTop to the base. Easily snap on your favorite design to match your style or remove it when needed for wireless charging.

Secure grip and selfie functionality
Hold your phone comfortably with one hand while typing, browsing, or capturing photos. The ergonomic structure prevents accidental drops and makes capturing steady selfies easier than ever.

Ultra-slim clear design
Showcase your phone's original color and aesthetic thanks to a subtle transparent finish. When collapsed, the base maintains an ultra-compact profile for hassle-free storage in your pockets or bag.

Modular PopSockets ecosystem
Experience seamless compatibility across the entire PopSockets accessory line and MagSafe mounts. Its modular footprint allows effortless swapping of top designs paired with the utility of a magnetic kickstand base.
