

SmartphoneMount Popgrip Low-Pro MagSafe Stand and Selfie Fuschia Popsockets

Descriptif produit

The ultra-thin PopGrip MagSafe Low-Pro magnetic grip and adjustable stand under 2.5 mm with pass-through wireless charging

Ultra-thin profile under 2.5 mm
Experience the thinnest comfort grip available with a subtle thickness of less than 2.5 mm. Its barely-there design sits virtually flat against your device, allowing your smartphone to slide smoothly into pockets without bulk.

Adjustable Kick-Out stand
Position your screen at the ideal angle thanks to an adjustable metal hinge. It securely holds your phone in both portrait and landscape orientation for hands-free video viewing, video calls, or browsing.

Double-sided N52 magnetic grip
Enjoy reliable magnetic strength powered by premium N52 grade magnets. The double-sided magnetic setup securely attaches to your MagSafe case while allowing you to snap your phone directly onto metallic surfaces and mounts.

MagSafe and Qi2 power-through charging
Charge your smartphone wirelessly without ever taking off your grip. Designed with advanced ultra-thin materials, this mount lets wireless charging power pass through seamlessly for MagSafe and Qi2 charging setups.

Advanced materials and ergonomic grip
Hold your phone comfortably using ultra-durable soft ergonomic arms paired with an aircraft-grade aluminum base. The high-hardness steel hinge is rated for over 5,000 cycles, ensuring long-lasting performance.
