Wireless Charging Station 25W Qi2.2 3 zone stand Smartphone + Truewireless + USB C/C Charging Cable Black Iniu

Descriptif produit

The official INIU foldable 3-in-1 magnetic wireless charging stand featuring Qi2 15W technology with 30W wall adapter

Qi2 15W wireless tech and fast charging
Experience wireless power delivery up to two times faster than standard 7.5W chargers thanks to official Qi2 technology. This stand supplies up to 15W of high-speed wireless power to efficiently charge your smartphone.

3-in-1 charging station for iPhone, Apple Watch, and AirPods
Power up to three devices simultaneously using a single neatly organized desktop station. Eliminate cable clutter on your desk by charging your smartphone, smartwatch, and wireless earbuds all at once.

Ultra-portable foldable travel design
Carry your complete charging setup everywhere with an ultra-compact folding mechanism. Its space-saving form factor slips seamlessly into any backpack or travel luggage for hassle-free transportation.

Safety certified build with 3-year warranty
Charge with complete peace of mind backed by high-standard safety protections engineered by INIU.
Constructed with top-grade materials, it ensures long-term electrical and thermal protection.

Complete bundle with included 30W power adapter
Start charging right out of the box with a full set of included powering accessories. The package comes equipped with a high-output 30W wall adapter alongside a dedicated USB-C power cable.
