Video Walkie-Talkie – Talk, See, and Play Without Limits! The Fun and Safe Video Walkie-Talkie for Kids

Real-Time Video & Audio Calls
The Video Walkie-Talkie isn't just a walkie-talkie... it's a whole new way to communicate! Kids can talk and see each other live thanks to the built-in video calls, sharing their games, adventures, and laughter, even when they're apart.

Fun Filters for Laughter-Filled Calls
With its playful video filters, every call becomes a magical moment! Funny faces, fun effects, and colorful animations: kids can transform themselves, have fun, and let their imaginations run wild during video calls. It makes every conversation even more joyful and creative.

Easy to Use, Designed for Kids
Intuitive buttons, a clear interface, and immediate usability: the Video Walkie-Talkie is designed for easy and independent use by children.

A Fun, Sturdy Design Perfect for Little Hands
Compact and lightweight, it's perfectly suited for children. Its durable casing is designed to keep up with their daily energy: at home, in the garden, or at a friend's house.

Portable and Always Ready for Adventure
Easy to carry, the Video Talky goes everywhere with children. They stay connected while continuing to play, explore, and have fun freely.

Reassuring for Parents
With features adapted to children's ages, safe use, and a controlled environment, the Video Talky allows parents to let their children communicate with peace of mind.

The Ideal Everyday Companion
For playing explorers, talking from one room to another, staying in touch during the holidays, or sharing a moment via video call with fun filters, the Video Talky transforms communication into a game.
